

ACT Day at the Phillies

“0 for 2 and 2 and 0”

On May 7, 2017 ACT members, both active and retired, gathered at Citizen’s Bank Park for the second annual *ACT Day at the Phillies*. In spite of another cold, damp, rainy outing for our group, a good time was had by all who attended the game to see the Phillies take on the Washington Nationals and win 6-5 in the bottom of the tenth inning. Two years in a row with crazy May weather; however, two years in a row we left winners! Thank you to all who came out. We hope you had a great time!
