RE: NEGOTIATIONS UPDATE FOR JULY 1, 2011

I hope the summer is going well for everyone.

We are posting this Update on the Website because our main computer that sends the e-mail blast is out of commission. The information will also be included in the upcoming ACT Newsletter which will be mailed out on July 8th.

Negotiating sessions were held on June 23rd and June 30th. On the 23rd, the ACT Team finally received the System's proposals regarding "disciplinary matters and protocols" (Article III, Section 9a) and proposals regarding "discharge and non-renewal" (Article IV, Section 5).

The Teams are moving through all of the proposals for the second time. Unfortunately, every System's proposal that was listed in the ACT Newsletter and on the ACT Website remains on the table as written. There has been no change.

We will continue to update you as we move through the summer.

Negotiations are scheduled for July 12 and 14 and July 26 and 28 from 10:00 A.M. to 5:00 P.M.
