TO: ACT MEMBERS  
FROM: RITA  
RE: CONTRACT NEGOTIATIONS

There will be no General Membership Meeting on Friday, June 15.

The Association and the System negotiated on Monday, June 11 and met again on Tuesday, June 12 until after midnight, but were unable to come to agreement on a new contract.

There was no Best and Final Offer from the System; therefore, there is nothing for the ACT membership to vote on at this time.

Negotiations will continue through the summer. Please keep both Teams in your prayers.

The ACT Negotiating Team will see you at the General Membership Meeting on September 4.

Enjoy your summer.
