## *From the President's Desk*

### **CONGRATULATIONS! YOU DID IT AGAIN!**

Thank You, Thank You, Thank You! Each and every one of you did an absolutely outstanding teaching job during another very challenging school year. You gave well beyond 100% of yourselves every day in the classroom. You should be very proud of all that you have accomplished during this difficult year. If it was within my power to evaluate your performance this year, I would rate each and every one of you as Distinguished in each domain and on the Summative Page.

I know that all of you are extremely happy that you have reached the end of the 2021-2022 school year. You can begin your summer break knowing that, with the ratification of the 2022-2023 Labor-Management Agreement on June 14<sup>th</sup>, there will be labor peace in the Archdiocesan Secondary School System for another year.

It took a great deal of hard work by the ACT Negotiating Team to achieve this Labor-Management Agreement. I am very thankful to have worked with such a wonderful group of your colleagues. No task was too much for them to undertake.

**(Continued on Page 2)**

It also required two General Membership Meetings, one in-person on June 1<sup>st</sup> and the second, on June 14, via Zoom at each of the 15 high schools, to ratify a new contract.

At the June 1<sup>st</sup> Meeting, the vote to reject the contract was close, 85 to accept, 106 to reject.

After the vote was announced, the members asked the Association to contact the System and seek the resumption of early bird negotiations. The Negotiating Teams met all day on June 13<sup>th</sup>. That evening, the Executive Board voted to recommend the System's final offer of a \$2200 salary increase, no increase in teachers' medical contribution, the same increases in moderator and department head stipends as presented on June 1<sup>st</sup>, and a one year Agreement to the ACT membership.

At the Zoom General Membership Meeting on June 14th, the ACT membership ratified the new Labor-Management Agreement by a vote of 203 to accept, 158 to reject, and 1 abstention.

The vote to accept the contract on June 14 reflected that many of you did not feel the salary increase was enough to combat these difficult economic times. Others very strongly believed that the contract should have been a multi-year agreement. Whether you voted to accept the contract or you voted to reject it, both votes sent a clear message to the System—you deserved more and you definitely needed more.

None of us has any idea of the challenges, both within and outside the System, that lie ahead of us when negotiations begin next school year. What I do know is that you, the ACT members, will, once again, need to be the best of what a Union is and what a Union does.

For now, enjoy your summer. You have certainly earned it!

*Irene*
