give your students the best education possible, especially over these last two years, will give stability to the System going forward and will allow for the hiring of new teachers as well as the retention of the current teachers.

On June 1st, all ACT members will gather at the Alloy King of Prussia Hotel to vote on the System's contract offer. You will decide if these provisions meet your financial needs.

It is very imperative that every ACT member, from the newest hire to the most veteran, attend this General Membership Meeting. All of your votes are needed to shape your work life for the next few years. **This is YOUR CONTRACT, YOUR FUTURE, YOUR UNION.**

Please make attendance at the June 1st General Membership Meeting at the Alloy King of Prussia Hotel a very high priority. The Meeting to discuss and vote on the terms of the new contract will begin at 4:00 P. M.

In order to give you some extra travel time on June 1st, the Association requested that the System waive the teachers' contractual obligation to remain in the school building for 15 minutes after the last bell of the school day, and the System agreed. The Association appreciates the System's cooperation so that everyone can attend this very important meeting.

Enjoy your well-deserved Memorial Day weekend.

See you on June 1st at The Alloy King of Prussia Hotel, 301 West DeKalb Pike, King of Prussia, PA 19406, at 4:00 P.M.

Constriction 2022

The System released the Constriction numbers on May 6, 2022. Fourteen positions in 6 schools are being cut.

1 BCIT, 4 English, 1 Fine Arts, 3 Math, 2 Science, 1 Social Studies, 1 Theology, and 1 World Language positions are being constricted. Seven of the 14 positions will be absorbed by resignations and retirements, which leaves 7 teachers who will need jobs in other schools.

There are also 4 schools where a total of 10 positions are being added.

The Association is working closely with the Office of Catholic Education to ensure that all timelines of the Constriction process are followed. Competencies need to be verified. Since there are many more openings than constricted teachers this year, bumping may not be necessary in some subject areas.

The Constriction Meeting is set for Wednesday, June 15th, 12:45 P. M. via Zoom.

If there are any questions about Constriction, please call the ACT Office at 215-568-4175 or email us at act@act1776.com.

IN MEMORIAM

BARBARA FUTEJ
1944 – 2022

“To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded.” Ralph Waldo Emerson

These are definitely the words that Barb lived by every day here at Bishop Shanahan High School and in her life at home. Barb always had a smile on her face and, if there was a problem that needed to be solved, she worked through it with you, together. Barb was not just a colleague, she was a friend to everyone. Barb loved the beauty of others, the beauty of science, and especially the beauty of the environment. Barb loved each and every one of her students and saw potential in each of her students. Barb stood up for her convictions and was definitely not afraid to let them be known. Many lives here at Bishop Shanahan have breathed easier because of Barb’s caring spirit, her willingness to help both in and out of the classroom, and her dedication to her love for science and education!

To me, Barb was a teacher mentor that I will always credit for my passion as an educator. Barb thought nothing of taking me under her wing and helping me with lesson plans, labs, projects... She always had something ready for me to use. I said to her one day “I cannot wait for the day that I can return the kindness you have shown me”. She smiled and said “That day will come, and it did, thanks to her! Barb’s kindness went beyond the classroom. She also mentored me on how to properly wear a scarf, when it would become time to let my graying hair go natural, and in lending me costumes for a theater performance. Barb and I shared a lot from a past career in the laboratory sciences, taking on education as a second career, love of science, love for the environment, and participating in the same community theater.

Barb, you will forever remain in our hearts here at Bishop Shanahan. We were blest to have you as a colleague, a mentor, but most of all a friend.

“The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well.” Ralph Waldo Emerson

ALWAYS REMEMBER

Memorial Day 2022

“This is a day we pay homage to all those who didn’t come home. It is not Veterans Day; it’s not a celebration. It is a day of solemn contemplation of the cost of freedom.” Tamra Bolton

Let us always remember those who served, fought bravely, and gave up their lives so that we may have the freedom to enjoy ours. Rest in Peace beloved soldier, and thank you for your tremendous sacrifice!

“Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and all the souls of the faithful departed rest in peace. Amen.”
